CONTROL 2016

11th INTERNATIONAL CONFERENCE ON CONTROL

Aug 31—Sept 2, 2016, Belfast, UK

PRE-CONFERENCE POSTGRADUATE WORKSHOP

TUESDAY 30th AUGUST

Attendance is free to PhD Students attending the full conference

Aim and Objectives	Program (Venue TBC)	
<p>PhD students in any year of their study are invited to submit and present their research ideas at the workshop. To participate, a title and 5 keywords must be emailed to control2016@qub.ac.uk by Wednesday, August 10, 2016 with the subject PG Workshop.</p> <p>Each participant is required to deliver a 4-minute elevator pitch to other participants and a panel of experts. The best pitch will receive a prize.</p> <p>All PhD students attending the conference are eligible to participate. This is an excellent networking opportunity for students to share and develop their research ideas. As part of the workshop, a technical tour has also been facilitated for all participants on a first-come first-serve basis.</p>	9.30—10.00	Welcome
	10.00—11.00	Elevator Pitches Session 1
	11.00—12.00	Thought Talks Guest Speakers: <i>Prof George W Irwin & Dr Marek Kubik</i>
